# VOTE FOR WILLIAM F. PETERS OF WADSWORTH

## Republican Candidate for County Surveyor NOW SERVING FIRST TERM

Brunswick, Ohio	To Whom It May Concern:	To Whom It May Concern:
October 21, 1914 To Whom It May Concern: The undersigned Township Trustees of Brunswick Township, in the construction of two miles of brick pavement employed Wm. F. Peters, present County Surveyor, to have charge of the same. We found him thoroughly competent and would state that we are satisfied with the services rendered. C. H. Newton F. E. Leinseder C. W. Damon	We, the undersigned Trustees of Litchfield Township, having had William F. Peters, County Surveyor, in charge of construction of two and one-half miles of concrete pavement, would say that we have found him to be experienced and reliable. His services have been very satisfactory and we gladly recommend him. Willis E. Leach D. Foote Dell Eaken	The undersigned, Trustees of Homer Township, have constructed 2 1/2 miles of water-bound macadam road the past year under the direction of County Surveyor Peters. His work has been satisfactory in every way and we are pleased to recommend him. J. Nolt W. M. Owen Silas Weidman

Mr. Peters is a young man who has proved his qualifications for the office and has administered the office with his face set against anything like graft and with a sole view to efficiency and honest work. Some contractors are hotly opposed to him, which fact the voters are not likely to construe to his detriment. Mr. Ganyard is seeking a third term of the office. On his campaign cards he has printed: "I ask for justice." Why he should do this is not exactly clear, as he has had six years of this office, and he certainly is not better equipped for it than Mr. Brintnall or Mr. Peters. On the score of his entire fitness and on the principle that one good term deserves another, our judgment is that Mr. Peters should be re-elected county surveyor.—Medina Gazette, October 23, 1914.

We have just received a new Dried Beef Slicing Machine.

It is a beautiful piece of mechanism. But the real beauty of the machine is the beautiful way it slices the Dried Beef: thin as a paper if you wish it or a trifle thicker if desired. Just as you like it. The fine quality of the Dried Beef we sell is well known, and trimming it as we do before slicing makes it Dried Beef at its very best.

## GEO W. SMITH

THE ONLY REPUBLICAN CANDIDATE FOR  
COMMON PLEAS JUDGE  
IN MEDINA COUNTY

The assertion which appeared in the Gazette, the politically sexless newspaper of Medina last Friday that my candidacy for Common Pleas Judge is merely specious and with the view of aiding Owens at the expense of McClure is palpably vindictive. My disposition is to ignore the statement, but on account of the wide circulation of this newspaper, I am compelled to speak—and I herewith make vehement denial, and charge this newspaper with unfair and malicious political methods.

I believe in the principles of the Republican party; was nominated by petition; have not claimed that I was anything but a Republican to any voter of the county, no matter from what part they came; am therefore the only Republican that is a candidate for Common Pleas Judge, and it would be much preferable to me to be unknown, untried and have the truth on my side, than to be elected a judge of the Court of Common Pleas.

Wherefore I say to the voters of Medina County that I will appreciate the favor of your vote November 3, 1914, but if for any reason you cannot give me that vote I shall not be sore or sour, nor call any person harsh names for I have not gone over the county button-holing and asking pledges of voters, for in my judgment it is beneath the dignity of the office which I seek.
